# Access™

WITH RAISING MID SECTION

The Athlegen Access Raising Mid Section™ is the ultimate treatment table. It provides you with the ability to treat your clients using the very best equipment available. The unique shape of the top allows excellent practitioner access during treatments. Add triple layered cushioning for superior comfort, electric height adjustment, and electric raising mid section that automatically adjusts the head support angle, and you have discovered just a few advantages of the Athlegen Access™. The Access table can be supplied with straight sides.

## features

- Electric power height adjustment system is driven by a commercial grade linear actuator made in Germany, ensuring fast, reliable and vibration free performance.
- Power driven raising mid section can be adjusted as required during the treatment.
- 8 pivot lifting arm mechanism, super strong with self lubricating nylon bushes to ensure smooth and quiet operation.
- Upholstery construction features special high density foam rubbers and incorporates soft edge technology.
- High quality protective coated vinyl with oil resistant properties; durable, with a soft and comfortable feel.
- Unique Access top design allows improved practitioner access during treatments while minimizing fatigue and discomfort.
- Heavy duty, industrial quality lockable castors with steel bearings and a rubber wheel tread.
- Durable powder coated rust resistant frame.
- Heavy duty stainless steel footswitch
- Built to last with very low maintenance.

# Access™

## STANDARD

The Standard Access™ table is the foundation product for the entire Access table range and is a design that has been well proven over the last 18 years. The unique contoured top design, pioneered by Athlegen, is enhanced with standard features such as an extremely comfortable adjustable head support system, and an adjustable length foot section. The standard Access has been the table of choice for many professional bodywork therapists, and is an extremely well proven product. **Note:** The Std Access can be purchased with straight sides
