

"The VIS has used Athlegen massage tables for the last 6 years in the provision of specialist sports medicine services to athletes from a wide range of sports.

The massage tables have been successfully used both in a clinical setting and an 'on field' setting within Australia and internationally.

Key features of the Athlegen massage tables are exemplary quality, versatility of patient positioning, rapid speed of electric height adjustment, sure-footed, robust, comfortable, patient-safe construction and excellent practitioner functionality."

Pro-Lift: Access RMS

The ultimate bodywork table featuring a power-driven raising mid-section, raising leg section, and a sturdy integrated head cradle with armrest. Treat your clients using the very best equipment available.

SELECT FROM OVER 30 COLOURS AND FABRIC CHOICES INCLUDING POLYURETHANE (PU), VINYL (PVC) AND GENUINE ITALIAN LEATHER:

ADJUSTABLE HEAD CRADLE & ARMREST

The sturdy integrated head cradle and armrest can be adjusted to your preferred angle for superb patient comfort. An optional removable armrest is also available.

EXTENDABLE FOOTREST

The footrest can be extended to create a tabletop of over two meters. Ideal ankle support for patients of diverse stature.

MOTORISED RAISING MID-SECTION (RMS)

Use the raising mid-section to stretch the lower back muscles. The head cradle, armrest and body mid-section adjust in unison to maintain patient comfort throughout treatments.

OPTIONAL LIFT-UP BACK (MANUAL)

The RMS is Athlegen's most versatile treatment table with a multitude of positioning options. Choose the lift-up back for physiotherapy, beauty treatments or in any multimodality practice.

MANUALLY ADJUSTABLE RAISING LEG SECTION

The adjustable leg section is ideal for postural drainage treatments or as an alternate backrest support.

TOP SHAPE

Choose between our straight-sided top or contoured top which increases access to the centre of the table. Both tops have a curved shoulder section that allows patients to comfortably access the armrest.
