

"Athlegen has and always will be our only choice when it comes to treatment tables. We have over 20 treatment tables across our clinics and compared to other products on the market, you can't beat the reliability of their Australian built products. From the quality of the steel frame to the durability of their motors, our Athlegen tables are crucial to our practitioners providing exceptional service to their patients."

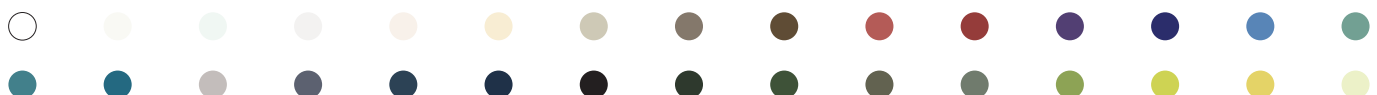

DR DAVID ABOUD

QUAY HEALTH

## Pro-Lift: Osteo Basic

A quality affordable osteopathic treatment table for practitioners who prefer the traditional rectangular table top. Our new and improved Firm Dunlop® cushioning system provides superior patient comfort and is perfectly suited to sports massage as well as osteopathic adjustments and manipulations.

SELECT FROM OVER 30 COLOURS AND FABRIC CHOICES INCLUDING POLYURETHANE (PU), VINYL (PVC) AND GENUINE ITALIAN LEATHER:

## PRODUCT INFORMATION

### ADJUSTMENT FOAM

Choose between our Firm Adjustment cushioning, specifically designed for adjustment work and massage, or Ultra Firm Adjustment cushioning, our firmest option for chiropractic and osteopathy adjustment treatments.

### FAST HEIGHT ADJUSTMENT

Save time with quick height adjustments from our extra powerful 10,000N German actuator - with smooth and quiet operation, our actuator is three times faster than most competing products.

### STURDY DESIGN

Made in Australia by Athlegen, our sturdy design is built to last even in the busiest practice.

### ADJUSTABLE HEAD SECTION

The standard configuration includes a face hole in the head section for more comfortable prone treatments. The head section can be finely adjusted to enable the prone patient to relax neck muscles fully during treatments.

### TABLE WIDTH

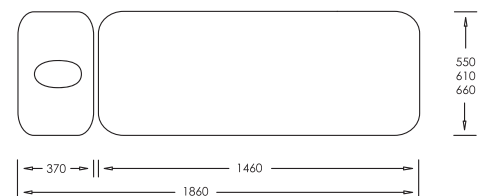

We have a table width to suit every practitioner. Select from 550mm, 610mm (our most popular table top width) or 660mm.

### BASE STYLE

Choose between our Standard base with concealed in-line wheels and floor-levelling feet or our lockable Castor base for easy manoeuvrability. All wheels feature TPE rubber compound tread to protect your floors.
