

"The table is perfect and I am really happy with the quality, material and colour. Athlegen made the whole process incredibly simple and efficient and delivered on time."

CAROLYN AUSTIN

Value-Lift: Treatment

A versatile table suitable for a wide range of modalities, including light physiotherapy use, massage, acupuncture, osteopathy, beauty treatments and examinations. The three-section configuration features a 700mm backrest and a long seat section. Ideal for treatments that require extra leg room.

NAVY SEMI-PU FABRIC

HAZARDOUS MATERIAL FREE (ROHS CERTIFIED)

PRODUCT INFORMATION

GAS-ASSISTED ADJUSTABLE BACKREST

Lift-assist gas springs help support a patient's body weight for more comfortable and secure table adjustments. Patients can enjoy smoother table transitions with minimal disruption to treatment flow.

GAS-ASSISTED ADJUSTABLE HEADREST

The standard configuration includes a face hole in the head section for comfortable prone treatments. The head section can be finely adjusted to enable patients to relax neck muscles fully during treatments.

STAINLESS STEEL FOOTSWITCH

The table comes with a sturdy footswitch made with a stainless steel body. Order an additional footswitch to control the height from either side of the table.

DANISH DESIGNED LINAK ACTUATOR

All Value-Lift tables feature a Danish actuator by Linak which is manufactured to our strict quality control. All products are inspected and checked by Athlegen when they arrive in Australia.

ADJUSTABLE FLOOR-LEVELLING FEET

The table sits securely on four solid supports that can be adjusted for an uneven floor.

RETRACTABLE WHEELS

The foot operated retractable wheel system allows for easy manoeuvrability when moving the table. When not in use the wheels retract to provide a stable solid base.
