

"Love Centurion tables. Nice, thick and comfortable support. Great quality coverings. Table is light and sturdy."

GAIL LAUX

Centurion Genesis Compact

A premium portable designed in Australia by Athlegen. The unique top shape improves access to the client, putting less strain on the practitioner's body. Specifically engineered to be quiet during treatments, the superior design features triangulation power struts for minimum table flex and unparalleled support.

- BLUE GREY GALAXY PLUS PU FABRIC
- ✓ Restriction of Hazardous Substances (RoHS CERTIFIED)

PRODUCT INFORMATION

HEAD CRADLE, FACE PAD & ARMREST

An alternative to the face hole, the head cradle's height and angle can be adjusted to suit each patient. Extends the table length by 300mm, which is handy for treating taller patients.

TOP SHAPE

The contoured top provides increased access to patients during treatments. The top features a curved shoulder area for easy access to the prone armrest sling.

HEIGHT ADJUSTMENT

The D-shape aluminium legs make it fast and easy to adjust the height of the table. The table features small increment adjustments to ensure you can find a table height that is perfect for you.

SUPERIOR DESIGN

With twin cables, a patented triangulation power strut design and a CNC precision crafted plywood base, the Genesis Compact provides unparalleled support.

FOLDING DESIGN

Weighing only 12.5kg, the Genesis Compact is extremely lightweight and the portable folding design makes it easy to transport.

ACCESSORIES INCLUDED

The Genesis Compact includes a head cradle, face pad, armrest sling and transit bag.
