

Natura 620

Lightweight portable 13 kg

The Natura portable is one of the strongest and lightest tables available. A great table for home use or for a student just starting out. Beautifully crafted out of birch the Natura comes standard with a face hole recess plug and the capacity to accept the addition of a more luxurious, optional face cradle.

The table height is fully adjustable with an incredible 8 height increments. The Natura is a full size portable at 1840 mm long and 620 mm wide with a high quality plywood base, and still only weighs 13 kg!

Excellent comfort with 50 mm, twin layered, high density foam with soft edge cushioning.

Optional adjustable height and angle head cradle

Why Centurion?

We know treatment tables! Over 30 years experience in designing and manufacturing portable treatment tables in Australia.

- Quality treatment tables at an affordable price.
- Designed in Australia.
- All models meet our strict QC requirements.
- We stock spare parts and employ our own service technicians.

Table options

- > Adjustable head cradle
- > Face cradle armrest
- > Transit bag

features

- Easy to set up and fold away without any of the fuss or noise of locking buttons.
- Great height range with small increment adjustments to ensure you will be able to set to a table height that will be perfect for you.
- Made from birch, lightweight, strong and durable.
- Nylon washers are used between all timber and metal fasteners to prevent any noises during treatment, and to deliver a long maintenance free life.
- Precision crafted plywood frame with quality finger jointed construction.
- Reinforced strut and dual cable design provides super strong table support.
- High quality protective coated PU vinyl with oil resistant properties.
- Ready to add an optional adjustable angle face cradle.
