"The table is perfect and I am really happy with the quality, material and colour. Your company made the whole process incredibly simple and efficient and delivered on time."

CAROLYN AUSTIN

Pro-Lift Treatment ABR

With a lift-up back, this versatile table is suitable for a wide range of modalities, including physio, acupuncture, massage, beauty treatments, examinations, or any multimodality practice.

SELECT FROM OVER 30 COLOURS AND FABRIC CHOICES INCLUDING POLYURETHANE (PU), VINYL (PVC) AND GENUINE ITALIAN LEATHER:

PRODUCT INFORMATION

MANUALLY ADJUSTABLE BACKREST

The Treatment ABR adjusts flat in seconds to create a sturdy, comfortable treatment platform. This versatile table is an ideal choice for massage or beauty treatments, examinations or any multimodality practice.

FAST HEIGHT ADJUSTMENT

Save time with quick height adjustments from our extra powerful 10,000N German actuator - with smooth and quiet operation, our actuator is three times faster than most competing products.

FACE HOLE OPTIONS

Choose a face recess in the lift-up back or main body section. Order a face hole plug to help move patients quickly between prone and supine positions - no need to rotate the patient to avoid the face hole.

FOAM OPTIONS

Choose between five Dunlop® cushioning systems ranging from Ultra Firm to luxurious Viscoflex® slow release memory foam. We have the right foam system to suit your modality.

TABLE WIDTH

Select from three table widths to suit your modality. Custom width tabletops are also available at an additional cost.

BASE STYLE

Choose between our Standard base with concealed in-line wheels and floor-levelling feet or our lockable Castor base for easy manoeuvrability. All wheels feature TPE rubber compound tread to protect your floors.

KEY OPTIONS

"The table is perfect and I am really happy with the quality, material and colour. Your company made the whole process incredibly simple and efficient and delivered on time."

CAROLYN AUSTIN

Pro-Lift Treatment MB

Featuring a longer 730mm motorised backrest, this versatile table is suitable for a wide range of modalities, including physiotherapy, acupuncture, radiology, cardiology, beauty treatments or any multi-modality practice.

SELECT FROM OVER 30 COLOURS AND FABRIC CHOICES INCLUDING POLYURETHANE (PU), VINYL (PVC) AND GENUINE ITALIAN LEATHER:

PRODUCT INFORMATION

MOTORISED BACKREST

Reduce practitioner injury with a convenient motorised backrest for fast and effortless patient positioning.

OPTIONAL PATIENT SAFETY RAILS

Order safety rails on one or both sides of the table. Easy to fit and remove, safety rails provide additional safety during examinations or procedures.

FACE HOLE OPTIONS

Order with or without a face hole. Order a face hole plug to help move patients quickly between prone and supine positions - no need to rotate the patient to the other end of the table to avoid the face hole.

OPTIONAL SIDE SUPPORT

Provide additional patient support during procedures. Available in one or both sides. The side support is 610mm long and 210mm wide.

FOAM OPTIONS

Choose between five Dunlop® cushioning systems ranging from Ultra Firm to luxurious Viscoflex® slow release memory foam. We have the right foam system to suit your modality.

BASE STYLE

Choose between our Standard base with concealed in-line wheels and floor-levelling feet or our lockable Castor base for easy manoeuvrability. Also available with optional hospital-grade 100mm castors.
