

"The decision to align ourselves and partner with Athlegen was simple. The synergies were obvious.

As we grow and continue to be the leaders in natural skincare, health and wellbeing, we appreciate the importance of being unique and innovative. This unique point of difference that has allowed us to stand out in the market place has successfully been complimented by the Athlegen brand.

We will continue to utilise Athlegen products, services and advice, and are looking forward to an exciting long-term relationship."

## Pro-Lift: Venus

Featuring a motorised backrest and seat tilt, this versatile and sturdy table effortlessly converts from a luxurious treatment chair to a completely flat table. Ideal for remedial massage, waxing, electrolysis, manicures, relaxation and specialised beauty treatments.

SELECT FROM OVER 30 COLOURS AND FABRIC CHOICES INCLUDING POLYURETHANE (PU), VINYL (PVC) AND GENUINE ITALIAN LEATHER:

**ADJUSTABLE HEAD CRADLE & PRONE ARMREST**

The sturdy integrated head cradle and armrest can be adjusted to your preferred angle for superb patient comfort. An optional removable armrest is also available.

**EXTENDABLE FOOTREST**

The footrest can be extended to create a tabletop of over two meters. Ideal ankle support for patients of diverse stature.

**MOTORISED BACKREST & SEAT TILT**

Enabling effortless adjustment, the lift-up back and seat tilt move together. As the backrest raises, the seat gently tilts, maintaining a comfortable seated position. Perfect for a spa and beauty treatments.

**BASE STYLE**

Choose between our Standard base with concealed in-line wheels and floor-levelling feet or our lockable Castor base for easy manoeuvrability. All wheels feature TPE rubber compound tread to protect your floors.

**OPTIONAL MANICURE ARMRESTS**

Manicure armrests allow seated clients to relax completely. They can be entirely removed or flipped out of the way when clients need to get on and off the table or if increased practitioner access is necessary.

**TOP SHAPE**

Choose between our straight-sided top or contoured top which increases access to the centre of the table. Both tops have a curved shoulder section that allows patients to comfortably access the armrest.

**KEY OPTIONS**
